Running Hot and Cold

The Thermometer Man of Cape Cod

"You're about to enter the world's only Thermometer Museum," beamed Richard T. Porter just before we walked into the cellar of his Onset home. Once inside, it was easy to adjust to the 64-degree climate ... and it was even easier to determine that exact room temperature because virtually every inch of wall space was covered with an array of thermometers.

Glass tube thermometers, old-fashioned dial types, modern color spectrum styles — a collection of 2,065 to be exact — are meticulously displayed and illuminated with overhead floodlights in Mr. Porter's basement. And for the man known to most as alternately "The Thermometer Man" or "The Other Mr. T," there's nothing more interesting than these intricate thermal measuring devices.

"When I used to teach junior high school science, I found that broken thermometers were not easy to replace," said the retired teacher. "So, I started looking for thermometers everywhere I went. I'm at a point now where I've found at least one a day for the past four years."

Even at huge antique shows where over 250,000 items are displayed, Mr. Porter admits he's lucky to find maybe 10 thermometers in the bunch. "People either have expensive thermometers which they won't part with, or they have cheap ones which they throw away," he noted.

When he embarked on his quest for the world's largest thermometer collection — a fact which has been corroborated and recorded with both the Guinness Computer (tallying world records) and the Ripley's Believe It Or Not cartoon — Mr. Porter thought he had struck upon a lone, original concept. He was soon to find out, however, that an existing organization called the Thermometer Collectors' Club of America (TCCOA) had beat him to the punch.

"When I started collecting about 20 years ago, I found out about the Thermometer Collectors' Club of America," he said. "They have about 100 members nationwide. I got in touch with the president, Warren Harris, and we've been good friends ever since."

Both Mr. Porter and his new-found compatriot shared an avid interest in collecting thermometers. Although Mr. Harris has only about 600 in his collection, Mr. Porter noted that he prides himself on the more exquisite and elegant thermometer styles.

"We kid around that he has the most expensive collection in the world and I have the largest ... so we get along just fine," he said.

Presently, Mr. Porter serves as Vice President for the TCCOA, Mr. Harris remains President of the organization.

As time went on — and Mr. Porter learned more and more about the history of the thermometer — he began taking a portion of his collection on the road, realizing that he had to share his passion with others. Thus began a lecture circuit for a variety of civic organizations including local Lions Clubs, Rotary Clubs, church groups, municipal clubs, and the like. Mr. Porter's personable nature and career as a teacher make him well-suited for talking about his pride and joy.

"My wife and I have become world travellers," he noted. "We've been on about 57 major trips and have been to every state in the continental US."

Of course, the trips are always 50 percent pleasure, 50 percent "thermometer hunting," as he puts it.

And he's ready to dispel some of the myths surrounding one of mankind's most common yet under-appreciated measuring gadgets.

"Most people assume Fahrenheit invented the thermometer," he said. "Actually, it was Galileo about 400 years ago ... who found that the glass tubing produced in Florence, Italy was the best material for thermometers."

Many people also assume that all thermometers use mercury — or a mixture thereof — to gauge the temperature. That, too, is false. Mr. Porter noted that only about 1 in 50 — or 2 percent — of his collection employ mercury. A whopping 80 percent use an alcohol-based mixture and another 18 percent are known as "bi-metallic" thermometers, or ones in which heat-sensitive metals will use an analog needle to gauge the temperature.

In the Spring of 1994, Mr. Porter officially opened "The World's Largest Thermometer Museum" in his home basement in Onset. Finding it difficult to carry more than 200 thermometers with him to any given lecture or event, he wanted to share his collection with everyone ... free of charge.

On the cover: "The Thermometer Man," Richard T. Porter of Onset, stands with a portion of samples from his museum collection of over 2,000 thermometers. (Photo by and courtesy of Barbara Porter.)

"I'm working on becoming declared as a non-profit organization so we can run some public service announcements in the newspapers," he said. "I'm not in this to make money ... and I can't see charging anyone to visit the museum."

To date, Mr. Porter has taken some 100 visitors on a tour through his collection — the largest of which entailed a recent group of classic car owners from Middleboro who took a mystery ride to his museum.

In May, *The Boston Globe* declared the exhibit "Museum of the Month" in their Sunday edition. Mr. Porter has even been featured in national publications like *Country Living, Yankee* and *Modern Maturity* ... and he was even flown to Baker, California (near Death Valley) in October 1992 to give the dedication speech for the World's Largest Thermometer — a 134-foot device which commemorates the highest temperature ever recorded in nearby Death Valley (134 degrees Fahrenheit in 1913).

Whether he's known as "The Thermometer King," "The Thermometer Man of Cape Cod," or "The Other Mr. T" (a designation which he changed after a student noted that he wasn't "the" Mr. T of television fame), one thing is certain — Richard T. Porter's longtime hobby is not only hot, it's cool.

For those interested in booking Mr. Porter for a lecture, or to arrange a visit to the museum, please call (508) 295-5504.

Mattapoisett Selectmen's Meeting

November 15, 1994

By Bethany Morgan

A meeting of the Mattapoisett Board of Selectmen was called to order on Tuesday, November 15 at 7:00 pm by Chairman John N. DeCosta, Jr. Also present were Selectman Daniel O. Mahoney, Selectman Paul E. Lambalot and Executive Secretary Carol Adams.

The board first met with Evelyn Pursley, Chairman of Council on Aging (COA) and President of Coastline Elderly Services, to discuss the new COA van. The new van, a 1994 Dodge Ram 8-cylinder, has the capacity for ten passengers or three wheelchairs and four passengers. The old van had a

capacity for only one wheelchair, yet could transport up to sixteen passengers.

Though the van's capacity may be less, this limited seating has some advantages. The older van required the driver to possess a Class 3 drivers license. This limited the COA's ability to deliver services. The new van does not pose any restrictions as to the class of the driver's license.

The COA in conjunction with Coastline Elderly Services applied for a grant under the Federal Transportation Act and the Older Americans Act to fund eighty percent of the purchase cost of the van.

Several years ago, the town, due to delays in distributing town monies, "missed the boat," for a new van. The cost of the van increased beyond the funds available while the request was being processed and brought before the town. In the meantime, funding by the federal government was sporadic. This year, however, the COA was able to access the grant monies as well as use the previously-appropriated funds to acquire the van.

The old van, purchased in 1984, currently has well over 100,000 miles of service to the town on its engine. The 1994 van will continue providing services to the handicapped and seniors. Many trips to the Hyannis Mall and the Galleria Mall are being scheduled. The COA has developed a program with Tobey Hospital for group appointments for laboratory work and doctor's visits. Two weekly visits to the grocery stores are also being planned, one to the A&P and the other to Shaws.

Ms. Pursley said the town will continue to receive a great deal of use out of this van.

Secondly, Ms. Pursley informed the board that because funding from the government has doubled, the COA is in the position to hire a senior aid. The aid, a town member 55 years of age or older, will assist in providing services to the town's seniors. An estimated eight hours a week will be spent telephoning homebound seniors to assess their immediate or long term needs and twelve hours will be spent making house calls to assist in daily

Congressman Barney Frank invited the board to attend a forum providing information and training on applying for grants under the recently-enacted Violent Crime Control and Law Enforcement Act of 1994. This forum will take place on November 16 at the Sharon Community Center.

There being no other business to come before the board, a motion to adjourn was unanimously approved at 7:45 pm.

Marion Selectmen's Meeting

November 15, 1994

A regular meeting of the Marion Board of Selectmen was called to order on Tuesday, November 15 at 7:00 pm by Chairman Loretta B. Schaefer. Also present were Selectman Jonathan "Jody" E. Dickerson, Executive Secretary Ray E. Pickles, and Secretary Helene Craver.

After approving the minutes of the November 1 meeting of the board and signing the treasury warrant for the week, the board reviewed incoming correspondence for the week, including a notice from the Massachusetts Highway Department that the scheduled work on intersection of Routes 6 and 105 in Marion will include a pedestrian push button to allow people to cross at the light.

The Massachusetts Department of Revenue (Division of Local Services) also advised the board that the town has been awarded $37,386 under the Commonwealth Sewer Rate Relief Fund for fiscal 1995. Chairman Schaefer noted that as a result,

residents' water bills will be credited an approximate $33 each.

The Division of Marine Fisheries also sent notification to the board that the waters of Sippican Harbor (from the end of Allen's Point, north to Little Island, and thence to 57 Water Street, east to 61 Water Street, and south to the northeast tip of the south dock at Old Landing) have been conditionally approved and open to shellfishing, effective November 1, 1994 to May 31, 1995.

At 7:15 pm, the board met with residents from Stoney Run Lane and neighboring developments to discuss a proposed sewer extension for the area via a town-approved betterment project. Albert Cordeiro of Edgewater Lane served as spokesman for the group, and presented the board with a signed petition of well over 50 percent of the residents asking that an article be placed on the next Town Meeting warrant to approve the project.

However, Mr. Cordeiro was dismayed that an estimate of the cost which was sent to residents was rather high (about $595,000) and might scare off some from participating.

"To say it shocked many of us is an understatement," he said. "We decided to check with other contractors who have done work in town and are familiar with Marion and we were given estimates closer to $250,000. If the first (estimate) was designed to scare us from the project, then I have to ask why?"

Chairman Schaefer noted that the estimate had been given to them by the engineering firm of Camp, Dresser and McKee (CDM), who is under contract with the town for said services.

"We have to take their word," she said. "I can assure you this wasn't done to scare you away ... we want to see a sewer extension in there as much as you do. But you also have to realize that we're borrowing the money to complete this project (on a 20-year bond). When we go to Town Meeting to ask their approval, we have to make sure all the bases are covered. It's better to err on the high side so we don't have to request more money."

Mr. Cordeiro asked if the residents could be given a more reasonable estimate for the project, without the inflated interest costs and potential buffer zones. "If that type of letter had gone out, explaining the higher estimate, we would have been able to get even more signatures," he said.

Mr. Cordeiro was also leery of being locked into working with Camp, Dresser and McKee on the project, but Mr. Pickles advised him that the town has a contract with the firm for such projects, especially those that tie into the Wastewater Treatment

THE LEASE BUYOUT

Here is the problem. You have decided to buy a two-family house jointly with a relative. The price is right, but only one half of the house will be available at the time of purchase -- the seller's half. The tenant still has six months to go on his lease and plans to remain. You want to occupy both units at the time of purchase. Is there a solution?

Since you do not desire to wait out the rental term, a solution to the problem could be a lease buy-out. The tenant under lease will obviously know that the lease will not be renewed, however, he might be agreeable to vacate if offered a cash inducement to do so. Lease buy-outs are very common in commercial real estate and might be applicable to this situation.

By purchasing property with the assistance of an experienced residential agent, you gain considerable advantage in working with someone who can negotiate both with the seller and with existing tenants to suit your objective.

Call **Bob at Fisher & Rocha, Inc., 758-6738** or stop in at our office at 17 Fairhaven Road, Mattapoisett. **We're here to help!**

Plant. "We'd be happy to get some other quotes for you," agreed Chairman Schaefer, "but you have to realize that CDM will still have to prepare the initial plans, which will cost more."

At 7:50 pm, the board moved into the larger conference room to meet with a group of about 60 concerned citizens who wished to discuss the recent purchase and planned development of property on Point Road formerly known as the Pierson woods. According to resident Nancy Mitton, the property is being purchased by a Richard Mecke of the Stonecraft Corporation in Lakeville. The developer plans to build 29 house lots on the property and is looking to close on the purchase December 9.

"I'm here tonight because I'm greatly incensed about this particular developer," Ms. Mitton said. "My concern is with the proposed magnitude and density of the project ... along with the destruction of one mile of forest. We are all here together as townspeople ... and I don't think we can allow the destruction of the natural beauty of this town."

Ms. Mitton went on to say that the developer — whom she talked with on the telephone that morning — has a reputation and track record for developing low-priced houses in short periods of time. "He will build as many homes as he can in that area," she said. "I was told by one source that he plans to build as many as 68 houses on the adjacent tract."

Ms. Mitton wanted to know why such a project had met with unanimous approval from all town boards when it will adversely affect "the economic and aesthetic well-being of the town."

But Planning Board member Jay Crowley stressed that

her board did not approve the project — it is governed under State Law. "We stamped it 'approval not required,' because it has nothing to do with the town by-laws," she said.

When Ms. Mitton asked why the Sippican Lands Trust wasn't involved, Michael Moore noted that this particular tract of land had been brought to the Selectmen's attention some two years prior. "We were advised that the town would not support an override to approve the purchase of the property," Mr. Moore said.

Although Ms. Mitton did bring out some valid arguments about future projects of this type, it was soon apparent that the chances of getting this project stalled or halted were slim.

"I think this situation is a lost cause," added Mr. Moore.

"But I think these matters need to be addressed for future projects of this type. We really need to pay more attention to land conservation in Marion."

In response to this, Ms. Crowley noted that the Planning Board is in the process of reviewing the residential zoning of the town and hopes to have some recommendations and changes for the next Annual Town Meeting. Likewise, Hart Kenney of the Open Space Committee added that his group is working on a plan as well to increase the amount of open space in town via the purchase of such conservation land.

In a last ditch effort, Ms. Mitton asked if private funding could be raised by residents to purchase the development in question. "I know it's a long shot, but is there a possibility that we might purchase the property ourselves?" she asked. "My argument is that the Town of Marion cannot afford *not* to buy this piece of land."

Resident Gil McManus echoed her sentiments, and agreed it might be worth the effort to scrutinize the project. "I think it's prudent to step back and take a look at this project to make sure all the t's are crossed and all the i's are dotted," he said. "At the very least, we might slow things down to see what it all means."

But the possibility of the town getting involved was quickly dismissed by Mr. Pickles. "You're asking (the town) to step in and stop something it legally doesn't have the right to stop," he said. "We can't legally interfere with private enterprise."

Chairman Schaefer thanked everyone for coming in and voicing their opinions, and vowed to keep a close watch on large developments of this type. "I agree this development will have some ramifications on the town, but I also can't say the town would readily support the purchase of this land from the private sector," she said. "I think the issues you've raised will carry some weight on the next big chunk of land that is purchased in town ... and I think we all need to consider how we want the town to look in 10, 20 or 30 years."

There being no further matters to come before the board, they unanimously voted to adjourn for the night at 9:15 pm.

Rochester Selectmen's Meeting

November 14, 1994

A regular meeting of the Rochester Board of Selectmen was called to order on Monday, November 14 at 7:00 pm by Chairman David L. Hughes. Also present were Selectman Lorraine Roy Hawkes, Selectman Michael Murphy, and Administrative Secretary Shirley A. Ferreira.

After approving the minutes of the November 7 meeting with corrections from Selectman Hawkes, Chairman Hughes asked for a moment of silence in memory of Arnold Chadwick, a resident of Hartley Road and former member of the town police and fire departments who passed away the previous Friday.

The board then met with Jennifer Mulcare-Sullivan of New Bedford, who had been recommended as a part-time dispatcher with the communications department by Chief Dispatcher Scott Ashworth. Ms. Mulcare-Sullivan currently works as an EMT with the New Bedford Fire Department, and informed the board that she has previously worked as a dispatcher with [illegible] Acushnet.

The Selectmen agreed that Ms. Mulcare-Sullivan was well-qualified for the position and unanimously moved to appoint her as a part-time dispatcher upon the chief dispatcher's recommendation, for a term to expire April 30, 1995.

At 7:10 pm, the board met with Kris Stoltenberg of the First Congregational Church of Rochester to finalize the deed for the land swap between the town and the church. Mr. Stoltenberg had prepared the deed and showed the board a copy of the land plot as previously agreed upon and approved via Town Meeting. The board unanimously moved to approve the swap and signed the deed as presented.

Chairman Hughes noted that the deal was "of mutual benefit" to both parties and would allow for future expansion of Town Hall if necessary.

Under incoming correspondence for the week, the board received a notice from the Finance Committee, informing all town departments that the budget sheets for Fiscal Year 1995-1996 will be handed out on Monday, November 28 at 7:30 pm to department heads and chairmen. The FinCom is using a new format for the budget forms, and each department should be made aware of the changes. The forms must be filled out and returned to the FinCom by Monday, December 19.

The board next received a request from Board of Health Chairman John Lafreniere to seek Legal Counsel

regarding the town's rubbish bid contract. The Selectmen unanimously approved Mr. Lafreniere's request.

The Plumb Memorial Library sent an invitation to the board to attend their Open House on Thursday, December 1 at 6:30 pm. The event is also open to the general public and will afford everyone the opportunity to see some of the new improvements made at the facility.

Town Treasurer Doris Boucher next sent a copy of a request from Bayside Agricultural, Inc. of Wareham to return the $5,000 bond passbook now being held on their Earth Removal Permit as all gravel has been removed at the site.

Selectman Hawkes suggested that the board wait until conducting their annual site inspections of Earth Removal Permits on December 3 before returning the passbook in question. Her fellow board members agreed and passed a motion to that effect via unanimous vote.

Under Old Business, Chairman Hughes asked if a representative from Kopelman and Paige, P.C. could attend their meeting on November 16 to discuss the conservation easement as offered by the Teal family a few weeks ago. But Selectman Hawkes didn't feel there would be enough time to render a decision in this matter by November 21 as previously suggested.

"I think it would be foolhardy to try to get things finished by the end of the year," she said. "I would contact them and let them know that there just isn't enough time

Chairman Hughes agreed that there are certain time limits for the various boards involved, and there wouldn't be enough time to finalize everything within the calendar year. With that, the board unanimously voted to contact the Teal family and inform them of this fact, thereby cancelling their appointment with the board for next week.

John Hall of the Personnel Policy Study Committee next presented the board with copies of the draft they have been working on. Having heard that the board was curious about their progress thus far, he offered to bring them up to speed.

"We've been using this outline as a model," he said. "We're reviewing each job description and are looking to see what needs to be added or changed. This will definitely be a good road map for us to follow in the future. But we'll certainly want input from (the Board of Selectmen) once we've completed the first draft. If all goes well, I don't see why we shouldn't have it ready for next Town Meeting."

Mr. Hall said he would also be attending a meeting with Selectman Murphy on the following morning in New Bedford to discuss both pending plans for the casino project and expansion of the regional airport, for which Mr. Hall has been appointed the town's representative.

Under New Business, the board received an

Selectman Murphy noted that the Fire Department had asked the board that they consider waiving the ambulance fees being assessed to Arnold Chadwick's family as a token of appreciation for Mr. Chadwick's past dedication and service to the town, both with the police and fire departments. The board unanimously voted to waive said fees.

There being no further matters to come before the board, they unanimously voted to adjourn for the evening at 7:26 pm.

Letter to the Editor

To the Editor:

In the Fall of 1992, the rebuilt vessel *Lazarus*, which was given a new life by Bill Fallon, Mark Parsons, Chris Smith, Tim Sperry, and Matt Sperry, departed Marion with them aboard in her crew. As these young men had grown up in Marion, they were carrying forward the spirit of the past as they rounded Converse Point, heavily-laden under full sail to go around the world.

A recent card postmarked Grand Bay and written by Bill Fallon tells us:

"Hi! Enjoying a nice rest after our longest passage — over 2,300 miles — made it in 16 days though. That's a six knot average watch on and watch off. Had a great run. We've been taking care of some repairs (mostly sail work) and will be ready to continue on to Madigascar and South Africa in a few

Following in the track of *Lazarus* is the sloop *Vagabond*, with Peter Cassidy, Jeff Hazelton, and Mike Brady as crew, they having departed Marion in the Fall of 1993. They and their vessel plan to spend the "down under" hurricane season in New Zealand, and are en route there from the Fiji Islands at the present stage of their circumnavigation.

The old stone piers of Marion are now the silent monuments to those who for centuries have "gone down to the sea," but the call of the sea lives on and mail from Marion will fill the hearts of those sailing far from home.

Mattapoisett Resident Passes Away

Johannes Bergen, the father of Inge Mastera, lovingly known to many in this area as "Opa," passed away on November 12 at the age of 92 in Stuttgart, Germany. Having been a summer resident of Mattapoisett for years, he was 88 the last time he made the journey by himself. He enjoyed traveling and visited a great part of the United States. He often entertained the neighborhood children as well as his seven great-grandchildren. His outgoing personality made him many friends who will always remember his smile. He will be sorely missed.

Rochester Men's Bowling League

The Rochester Men's Club Bowling League's unusual run of warm fall weather pervaded the Bowlmor Lanes in Mattapoisett on November 8. Beaton Cranberry found conditions on alleys seven and eight exceptionally uncomfortable as triple 400 scores (Henry Hartley with 408, Robbie Dexter with 409, and Louis McKay with 446) enabled Hartley Sawmill to master the situation.

A pair of 354's by Mugsy Beaton and Mike Many were simply insufficient to slow down the lumbermen in their quest for three points. Jack O'Leary pounded out a 416 for the Bowlmor Five in a two-point win over the Bowling Stones and Billy Blake (393). A revitalized David Belong (405) held

because the church year embodies the sweep of time throughout creation until the end of time — the end of history.

Thanksgiving in-gathering of donated foods will continue this Sunday for Market Ministries and the Community Resources Network. For this latter, St. Gabriel's has been designated the "onion" church. Please remember this during shopping tours and be generous.

This Sunday brings the final adult forum with William Kennedy, President and Publisher of *The Standard-Times*, who will talk on Modern Ethics and the Media.

On Tuesday, November 22, the final regular Fair Nöel workshop will be held.

On Thanksgiving Day (November 24), there will be a Eucharist Services at 10:00 am.

On Sunday, November 27, Holy Communion will be celebrated at 8:00 am in the Chapel at St. Gabriel's. At 10:00 am in the Church, the Advent service of Lessons and Carols will address themes of the season of Advent, the beginning of the church calendar year. Biblical readings will be interspersed with appropriate hymns led by the Senior Choir.

Fair Nöel will take place on Saturday, December 3.

Smith Associates

PROFESSIONALS IN REAL ESTATE

We are pleased to announce the real estate business in this area is getting stronger again. Residential sales have, for Smith Associates, been strongest this year since we had two offices during the height of the 80's.

Our sales reflect activity in Marion, Rochester, Fairhaven, Acushnet, New Bedford, Dartmouth, and of course Mattapoisett. From the beginning 23 years ago, we have always offered a variety of homes throughout the Greater New Bedford Area, presenting our buyers and sellers with a complete assortment in the broad spectrum of price ranges.

We currently have listings in Marion, Rochester, Wareham, Fairhaven, New Bedford, Dartmouth, Westport and Mattapoisett. We represent clients and customers in these areas because they are looking for the same professional representation we have offered for nearly a quarter of a century.

We are open 7 days a week 9 to 5. We offer a courteous, competent staff of associates. How may we help you?

Regional High School is sponsoring the sale of navel oranges and red seedless grapefruit. We are expecting the same exceptional quality that we have received for the past four years. Fruit may be purchased in either 2/5 bushel for $12 or 4/5 bushel for $20. Order forms can be obtained by calling Mary Ann Amoruso at 758-3726. Orders must be received by December 2. Checks made payable to "ORR-AFS" must accompany each order. Expected delivery date is December 13, just in time for holiday gift-giving.

Funds raised from this sale go to supporting the local American Field Service's (AFS) foreign exchange program.

Apple Sale Benefit

During the month of October, the students and staff at Old Hammondtown School in Mattapoisett held an Apple Sale to benefit the Lindsey Steele Fund. Fresh, crisp local apples were sold for $1 each to help defray the cost of a bone marrow transplant scheduled for Lindsey in the near future. A grand total of $309 was collected and sent along to the Steele family with Old Hammondtown's wishes for a long life of good health to all.

Marion SHARE

The next pick-up for the Marion SHARE program will be held on Saturday, November 19 from 12:00 noon to 1:00 pm at the Marion United Methodist Church on the corner of County Road and Route 105. Registration for the December 17 package may be done on that day or on Monday, November 28 between 11:30 am and 12:30 pm at the same location. Bring your receipt for two hours of volunteer service plus $15 in cash or food stamps (no checks, please). For further information please call 748-0840 or 748-1122.

Education Speech in Mattapoisett

Mimsy Sadofsky, one of the founders of the Sudbury Valley School in Framingham, will speak on the "Kingdom of Childhood," on Friday, November 18 at 7:00 pm at the YMCA Youth and Family Center in Mattapoisett.

The Sudbury Valley School, now entering its twenty-sixth year, offers a democratic alternative to the traditional school. The school's philosophy is: all people are curious by nature; the most efficient, long-lasting and profound learning takes place when initiated by the learner; all people are creative if they are allowed to develop their talents; age-mixing among students promotes growth in all; and freedom is essential to the development of personal responsibility. Sudbury Valley's 25 years of success demonstrates the validity of this philosophy of education.

Fifteen democratic schools — in the United States, England, Australia, Canada and Israel — are in operation, with more in the beginning stages. Locally, a group of interested parents and teachers intends to start a democratic school in Southeastern Massachusetts. For more information, please contact

Are you among the 3/4 of women who put themselves at risk?

Statistics show that three quarters of women who should get screening mammograms don't. Thousands of area women are not taking advantage of the single most effective means we have for reducing the deadly toll of breast cancer. Tobey Hospital's Breast Health Center urges you to follow these mammography recommendations of the American Cancer Society.

- **Get a baseline mammogram between the ages of 35 and 40.**
- **Get an annual or bi-annual mammogram between the ages of 40 and 50.**
- **Get a screening mammogram every year after age 50.**

Tobey Hospital's Breast Health Center offers area women accredited mammography and a wide range of other services that help promote and maintain breast health. Call the Breast Health Center at 295-0880, extension 339. Self referrals welcome.

Free mammograms are available for women without health insurance.

Senior Thanksgiving Banquet

The Councils on Aging for Marion, Mattapoisett, and Rochester have each been given 75 blue admission tickets for the Seniors Citizens to attend the Thanksgiving Banquet to be given on November 20 at 11:30 am at the ORR Junior High School.

Seniors should plan to obtain a blue ticket in advance in order to avoid missing out on the day of the banquet.

Medals for Philippine Veterans

The newly-established Philippine Liberation Medal may be worn by certain American veterans who served in the Philippines during World War II. The medals, free of charge, are being issued — along with five others costing $7 each — by the Defense and Armed Forces Affairs Office at the Philippine Embassy in Washington, D.C.

Eligible for the medal are veterans who served in the Philippines for no less than 30 days from October 17, 1944 to September 3, 1945. The other medals and those eligible include:

- Philippine Defense Medal — veterans who served for not less than 30 days from December 7, 1941 to June 15, 1942.
- Philippine Republic Presidential Unit Citation Badge — veterans who served from December 7, 1941 to May 10, 1942, and during the campaigns from 1944 to 1945.

"A Christmas Carol" at ORR

The Old Rochester Regional High School Drama Club will present four performances of a one-act musical adaptation of Charles Dickens' "A Christmas Carol." The performances are scheduled for 8:00 pm on December 1, 2 and 3, with a matinee performance on Saturday, December 3 at 2:00 pm. The performances will be staged in the ORR High School Auditorium under the direction of Paul Sardinha.

Tickets are $4 for students, $5 for seniors, and $7 for adults. Tickets can be purchased at Seaport Pharmacy in Mattapoisett, The Marion General Store in Marion, and at Country Charm Flower and Gift Shop at the Plumb Corner Mall in Rochester. Group rates are available for advance sales of 10 or more tickets. For further information, please call 758-6541.

Open House at ORR

An Open House at Old Rochester Regional High School will be held on Saturday, November 19 from 4:00 to 6:00 pm for all residents and parents of students in the tri-town area to view the recently-completed renovations at the facility. Superintendent of Schools Joan M. Walsh has cordially invited all interested community members to attend.

Plumb Memorial Library

Rochester residents now have access to the holdings of all SEAL network libraries through the Plumb Library's recently-installed Public Access Catalog. Patrons can search for holdings of the Plumb Library as well as those of all the surrounding libraries, including New Bedford.

"Answer the Need" Food Drive

To celebrate America's tradition of Thanksgiving, the Plymouth Savings Bank began the "Answer the Need" program eleven years ago. The program extends from November 1 through January 1, and customers and friends are being asked to share non-perishable food items with less fortunate members of the community.

Plymouth Savings Bank is asking local residents to donate non-perishable food items such as canned meats, peanut butter, jars of spaghetti sauce, canned fruits and vegetables, macaroni and cheese, rice, coffee and dry milk.

Food collection barrels are in the lobbies of each of the fourteen Plymouth Savings Bank offices. Because of the heavy demand for food which goes beyond the holiday season, the hope is that the food supplies will be sufficient for distribution throughout the winter.

In the Mattapoisett area, food distribution is being handled by the St. Anthony's Food Drive. If you have any questions, please call Lindy Lopes of the Mattapoisett branch at 758-4936.

The Friends of the Elderly

SHARE Program

The next distribution day will be November 19, so that you may have your package in time for Thanksgiving. This is also SHARE's third anniversary, and the group will be celebrating with cake and cider. All past and present participants are welcome to join in celebrating.

You may also sign up for the December package at that time. All you need is two hours of

LEGAL NOTICES

DEPARTMENT OF ENVIRONMENTAL PROTECTION
WATERWAYS REGULATION PROGRAM

Notice of License Application pursuant to M.G.L. Chapter 91, Waterways License Application Number W93-3132-Kenneth Shwartz & June A. Smith.

Notification Date: November 25, 1994

Public Notice is hereby given of the application by Kenneth Shwartz and June A. Smith to construct and maintain a pile supported walkway, ramp and float at 49 Mattapoisett Neck Road in the Municipality of Mattapoisett in and over the waters of the Mattapoisett River. The proposed use of the structure (s) and/or fill is to provide noncommercial docking and boating access to navigable waters and is a water-dependent use project.

The Department will consider all written comments submitted thirty (30) days subsequent to the "Notification Date" in order to decide whether to grant authorization for the proposed activity pursuant to G.L. Chapter 91. A public hearing may be held upon request by the Municipal Official. Furthermore, a municipality, ten citizen group or any aggrieved person that has submitted written comments may also petition to intervene to become a party before the close of the comment period. Failure to submit such petition will result in the waiver of any right to an adjudicatory hearing. Further information regarding this application may be obtained by contacting the Division at (617) 292-5695. Plans and documents for this application are on file with the Department for public viewing, by appointment only, at the address below. Written comments must be submitted to : John A. Simpson, Program Chief, DEP/Waterways Regulation Program, One Winter Street, 8th Floor, Boston, MA 02108.

TOWN OF MATTAPOISETT
CONSERVATION COMMISSION
NOTICE OF PUBLIC HEARING

The Mattapoisett Conservation Commission will hold a public hearing on Tuesday, November 22, 1994 at 7:15 PM in the Town Hall on the Notice of Intent submitted by Six C's Real Estate Trust, 29 Brimmer Street, Boston, MA 01208-1048.

The proposed project involves the reconstruction of an existing stone revetment and extension of a concrete walkway. The proposed project is within land subject to coastal storm flowage and within the 100 foot buffer zone to a salt marsh and barrier beach.

The project is located at 57 Mattapoisett Neck Road and is further identified at Lot 7 on Assessors Map 12.

Daniel Bungert, Chairman

Electrical Department

Old Colony's Electrical Department just completed a job at the Rochester Town Hall. Electrical work there consisted of installing an outlet for an additional electronic ballot box, installation of a light fixture, and installation of two receptacles. This work was coordinated by the Highway Department, who dug trenches for the underground wiring.

Special Needs Grant

Old Colony is the recipient of a $9,000 Special Needs Integration Grant from the Department of Education. The grant will be utilized to fund the continued implementation of the Success Oriented Classroom (SOC), teacher training in classroom integration techniques, and teaching materials necessary fo continued development of the Integration Plan.

This year's training will be conducted by consultants Eva Pytowska and Dr. Kathleen Amico-Porcaro. Their goals will be to empower teachers with the skills necessary to ensure the smooth transition of the Special Needs student into regular education classes, while addressing difficulties

ST. JUDE'S NOVENA

May the Sacred Heart of Jesus be adored, glorified, loved and preserved throughout the world now and forever. Sacred Heart of Jesus, pray for us. St. Jude,worker of miracles, pray for us. St. Jude, help of the hopeless, pray for us.

Say this prayer 9 times a day. By the 8th day your prayer will be answered. Say it for 9 days. It has never been known to fail. Publication must be promised. Thank You, St. Jude. J.M.B.

Novena to Saint Jude

Oh Holy St. Jude Apostle and Martyr, great in virtue and rich in miracles, near kinsman of Jesus Christ, faithful intercessor of all who invoke your special patronage in time of need, to you, I have recourse from the depths of my heart and humbly beg to whom God has given such power to come to my assistance. Help me in my present and urgent petition. In return I promise to make your name known and cause you to be invoked. Say 3 Our Fathers, 3 Hail Mary's, and 3 Glories. Publication must be promised. St. Jude pray for us and all who invoke your aid. Amen. This must be said for nine consecutive days. This Novena has never know to fail. J.M.B.

Organ Concert in Fairhaven

Barry Turley, noted scholar and performer, will present an organ concert at the Unitarian Memorial Church in Fairhaven on Saturday, November 19 at 7:00 pm. The program will include the works of J. S. Bach, D. Pinkham, and H. Mulet. Tickets are $5 and will be available at the door.

Mr. Turley is presently a doctoral candidate in organ performance at the University of Michigan. Prior to his studies, he held the position of Artist in Residence at King's Chapel in Boston. Mr. Turley has recorded for both Gothic and AFKA Records.

This concert is the final event of a day-long church music seminar that will bring organists and choir directors from across southern New England to Fairhaven. The event is sponsored jointly by the American Guild of Organists and the Creative Arts Council of the Unitarian Church.
